Membership Application 2017

Join *Advocati Familiam, Vitam, Libertatem Cultus Divini* and stay current with issues affecting traditional families, the dignity of human life and religious freedom. Our organization will provide you with updates on important legal and cultural events affecting the family; from marriage between a man and a woman, human life brought forth by conception between a man and a woman, the dignity of life until natural death, and the practice of religion in the family, at home and in public.

Times are changing. How will politics affect religion in this administration? What about Life and Family? We hold educational events for every advocate of traditional family, protecting the dignity of life and promoting religious freedom. Many are presented by lawyers – with continuing legal education credits available - but the material is pertinent to every citizen passionate about protecting faith, family and life. As members, you receive 50% off the admission to events.

Complete the application below and return it to us at the address under our logo. Consider speaking on an issue at one of our events. Bring like-minded friends who would benefit from education on these topics. Support us with your presence and donations and, most importantly, prayer!

We are advocates for Family, Life and Religious Freedom. Will you join us?
